We offer a variety of seed packs, valued at \$3.29 per pack, which come in boxes of 100 seed packs. These seeds have recently returned from seed rack displays. The displays were placed in a variety of store environments; therefore, we recommend planting at twice the suggested sowing rate to compensate for the possibility of lower germination rates. Each box contains a mix of vegetable, flower and herb seeds.

WE UNFORTUNATELY CANNOT ACCEPT REQUESTS FOR INDIVIDUAL VARIETIES OR SPECIAL ORDERS.

Please return this form with payment. Upon sending in this form, you agree and understand that the seeds being shipped were packed for the previous season, stored under varied conditions, and therefore, may have a lower germination rate. They are not to be resold. We will return your postage and handling fee if we are not able to ship your donation request. Thank you!
